MARINE CORPS ORDER 3470.4

From: Commandant of the Marine Corps
To: Distribution List

Subj: MATERIEL FIELDING PLAN (MFP) FOR THE HOOD, COLD WEATHER

Ref: (a) MCO P5000.10C
(b) MCO P4105.3

Encl: (1) Materiel Fielding Plan for the Hood, Cold Weather

1. Purpose. The enclosure is to provide advance logistics information to field commanders regarding the Cold Weather Hood per the policies established in references (a) and (b).

2. Information. The Cold Weather Hood is a balaclava-type head covering designed to cover the entire head and neck with openings for the eyes, nose and mouth. The Cold Weather Hood is to be used in cold environments when exposure of skin tissue to the elements should be minimized. It is a component of the Cold Weather Headwear System.

3. Action. The commanders of each organizational element concerned shall ensure implementation of the provisions of this Order.

4. Reserve Applicability. This Order is applicable to the Marine Corps Reserve.

MATERIEL FIELDING PLAN
FOR THE
COLD WEATHER HOOD

1. Introduction

a. Source of Requirement. The Cold Weather Hood fulfills a requirement for lightweight cold weather clothing outlined in ROC No LOG 1.60.

b. Point of Contacts

<u>Title</u>	<u>Name</u>	<u>Code</u>	<u>Commercial/ Autovon</u>
Program Manager	Mr. D. A. Davis	SSC	(703) 696-1148 226-1148
Asst Program Mgr	Mr. R. L. Baker	SSC	(703) 696-1155 226-1155
Project Officer	Maj J. J. Egan	SSCGP	(703) 696-1154 226-1154

c. Fielding Methodology

(1) General Fielding Plan. A total quantity of 166,976 Cold Weather Hoods are being procured for Marine Corps units identified in appendix A, and shall be horizontally fielded with an estimated completion date of 4th Qtr FY93.

(2) Method of Fielding. The Cold Weather Hood is being procured and funded by the CG MCRDAC (Code SSC) as initial issue and will be force fed to those activities identified in appendix A.

d. Replaced Weapon System. Not applicable.

2. System Description

a. Administrative Information

- (1) Nomenclature: Hood, Cold Weather
- (2) TAMCN: V4005 II F
- (3) SAC: 1
- (4) NSN: 8415-01-310-0606
- (5) Unit of Issue: each

ENCLOSURE (1)

- (6) Unit Cost: \$7.30
- (7) ID Number: 09462A
- (8) Materiel Identification Code: J
- (9) Color: Camouflage Green 483
- (10) Sizes: one size fits all

b. Physical Characteristics

- (1) Length: 19 inches
- (2) Width: 8-1/4 inches
- (3) Weight: .45 lbs
- (4) Face Opening: 7-1/4 inches

c. Operational Characteristics. The balaclava-type Cold Weather Hood is a wool knit head covering with a woven nylon interlining which covers head and neck with openings for the eyes, nose and mouth. This hood is designed to protect the Marine from heat loss in the head area and should be worn by Marines engaged in amphibious and subsequent operations ashore where the temperature may range from +40oF (+4oC) to -25oF (-31oC). The hood is designed primarily for infantry personnel requiring a high degree of mobility; however, it will be used by all Marines.

d. Associated Systems. The Cold Weather Hood is a component of the Cold Weather Headwear System which includes the Neckwear Scarf (TAMCN V4351; NSN 8440-01-291-5451) and the Cold Weather Hat (TAMCN V4207; NSN 8414-01-099-7847). Each of these items provides protection from the wind and cold and can be used together or independently, depending upon varying weather conditions.

e. The quantities reflected in appendix A represent the total T/E allowance for each unit. For the FMF units, these quantities also represent both the FMF Commander's Authorized Allowance and Field Allowance.

3. Logistics Support

a. Maintenance Support. First and second echelon maintenance of the Cold Weather Hood will be carried out by the using unit. Each hood shall have a combination identification/care label. Laundering instructions will be provided.

b. Contractor Support Requirements. Not applicable.

c. Manpower, Personnel and Training. Not applicable.

ENCLOSURE (1)

- d. Supply Support. Not applicable.
- e. Support Equipment. Not applicable.
- f. Technical Publications. Not applicable.
- g. Computer Resources. Not applicable.
- h. Facilities. Not applicable.

i. Packaging, Handling, Storage, and Transportation. The Cold Weather Hood shall be packaged, marked and transported in accordance with Commercial Item Description A-A-50194. Each hood shall be folded to approximately 8 by 10 inches and packaged in a plastic bag. One hundred hoods shall be packed in a fiberboard box per PPP-B-636. Marking shall be in accordance with MIL-STD-129.

- j. Warranties. There is no warranty.

4. Action Required to Place Equipment in Service

COMMARCORLOGBASES, Albany, shall be responsible for requisitioning the Cold Weather Hood.
